How To Use This

- First I use these presentations as direct instruction when introducing the tasks for the first time.
- I post these in my school's learning platform so students can reference them throughout the year.
- I don't introduce all of the tasks at one time, but over the course of 3 units!

Sí y No

- ★ No uses la forma 'tú'. Si tienes tiempo, revisa el correo en busca de este error!
- ★ No preguntes por detalles que ya te han dado. (esto demuestra una falta de comprensión en lugar de una buena comprensión de lo que has leído.)

Some hints about the quotes

- ★ When you make reference or quote the sources, be sure that you are offering evidence that supports your point of view.
- ★ You should not use quotes as a way to summarize what a source says, but rather to reinforce your viewpoint.
