Feedback From Other Teachers

“ We just recently started offering the Seal of Biliteracy, so this came in handy! It comes with detailed instructions, six prompts for students to practice writing, and scoring criteria based on how the AAPPL test is scored. Because the prompts are in English, you could even use them for students taking the test in other languages, or just another great opportunity to practice writing in class. ”

“ Helpful for understanding the writing portion of the AAPPL test to help prepare students for doing their best. Gracias. ”
